

AUVORA ECHO

THE ARCHITECTURE OF TIME

BESPOKE BRIEF

INTRODUCTION

Time is the only currency that cannot be printed.

As a business owner, you do a lot of work. If your business is at a certain level, you almost trade your whole day for money. But, where did your **passion**, **life**, and **enjoyment** go?

There's only one life. You aren't gonna get another life.

TRANSFORMATION

Eliminate the Noise. Amplify the Vision.

Look at this, to operate a business you must do three things;

1. Marketing
2. Sales
3. Revenue calculation

And we're automating all three with ECHO;

- **Marketing:** Ads, done in 30 seconds.
- **Sales:** Client place orders from website provided by us in ECHO setup.
- **Revenue:** All orders fetched in ECHO from the site.

YOUR EFFORTS

You Create. It Calculates.

The ECHO ecosystem is designed for the effortless operator. The workflow is seamless, ensuring your focus remains on **growth**, not **maintenance**.

1. **Deploy:** Upload your posts and download posts directly from the software.
2. **Receive:** Orders are captured by the bespoke website we build for you.
3. **Relax:** ECHO manages the revenue. You simply watch it grow.

PRE REGISTRATION

Join ECHO while everyone is asleep

You know why we're running pre-registration campaign? Listen, we're a small team. We've the vision and code of ECHO, but **we don't have enough fund to launch it**. With pre-registration, we're raising money directly from you, our patrons, our clients.

And in return, we'll give you;

- **Founding member pricing** (₹9,999.00 > ₹6,999.00).
- **Early product updates.**
- **Priority support** and contact.
- Ability to **influence** upcoming features.
